

## March Articulation

<p>1. Today is National Pig Day. Make a pig craft and dress it up in a silly outfit. Use your good speech sounds to talk about what he is wearing.</p>	<p>2. Celebrate OLD STUFF DAY! Find your favorite stuffed animal and hide him in different places around your house. Talk about where your animal is hiding using your good sounds!</p>	<p>3. Be HAPPY today. Share 5 things that make you happy and why. Remember to use your good sounds and start your "why" answer with "because or so."</p>	<p>4. "March comes in like a Lion and out like a Lamb." Make a lion and lamb craft. Talk about the animal groups that a Lion and Lamb belong to while using your speech sound.</p>	<p>5. Look at a family photo album and talk about how many things you can find with your speech sound.</p>	<p>6. Dentist Day!!! Using good speech sounds, talk about what the dentist does. Remember to use "he" if your dentist is a boy and "she" if your dentist is a girl.</p>	<p>7. While Reading a Book with a family member. Talk about where the things are located in the book using good sounds.</p>
<p>8. Celebrate your NAME Week!! Write your name and family members names down. See if any name has your speech sound. If so practice that name 10 times.</p>	<p>9. On your drive to school today talk about why we wear a seat belt and the importance of wearing a seat belt using your good sound.</p>	<p>10. During dinner, describe 3 different foods. Think of descriptions that have your speech sound. Remember you can talk about the taste, temperature, texture, color, shape, sound, etc.</p>	<p>11. When getting dressed this morning talk about your outfit using your good speech sound.</p>	<p>12. Girl Scout Day! Think about your favorite girl scout cookie and describe the taste of it with good sounds.</p>	<p>13. Ear Muff Day! Put on a pair of ear muffs and talk about "when" we wear ear muffs. Remember to use a whole sentence and use your good speech sound.</p>	<p>14. Popcorn Lover's Day! Make some popcorn and talk about each step of the process with your good speech sounds.</p>
<p>15. Incredible Kid Day!!! List 10 things that make you an incredible kid. Remember to use your good speech sounds when making your list.</p> 	<p>16. In preparation of St. Patrick's Day, make a green snack to share with your friends. While making your snack, talk about each step using your good sounds.</p>	<p>17. St Patrick's Day!! Make a green shamrock. On each leaf list things (go-togethers) that go with St. Patrick's Day. See if any words have your good speech sounds.</p>	<p>18. Eat a cookie and read the ingredients on the box using good speech sounds.</p>	<p>19. Parents please give your child a variety of 2 step directions while doing the bedtime routine; ie: "first brush your teeth, last put on your PJs." Have the child raise their finger when they hear their speech sound.</p>	<p>20. First Day of Spring!!! Talk about different objects that come with spring! Write down and practice the words with your good sounds.</p> 	<p>21. Take a walk outside and notice all the things that are changing outside because of spring. Do any things have your speech sound?</p>
<p>22. Goofy Day!! Do 5 things goofy today and tell your family what was goofy and why using all your good speech sounds.</p>	<p>23. Game Day! Play a game with your family. While talking about the rules, use your good sounds.</p>	<p>24. Wear your favorite outfit today. While wearing your outfit, label the parts using good sounds.</p>	<p>25. Waffle Day! Eat waffles for breakfast today! While making the waffle talk about each step using good speech sounds.</p>	<p>26. During a book activity, use your good sounds while reading the book.</p>	<p>27. Talk about all the people "who" help you throughout the day (ie: teacher, bus driver, mommy, daddy, sister, etc) using good sounds.</p>	<p>28. While listening to music, talk about all the different instruments you hear, do any have your speech sound?</p>
<p>29. While riding in the car, talk about all the different parts of the car using good sounds.</p> 	<p>30. While reading a book with family, remember to use your good "thinking eyes" so they know you are listening to the story. Raise your finger if you hear your speech sounds.</p>	<p>31. Take a walk outside and talk about "things that fly." Do you hear any of your sounds?</p>
