

Classroom Rules

Mr. Shuleski

1. **Come to class on time and do not stop working early.** When the bell rings you are to be in your seat with your materials ready to begin class. Be prepared to work the entire 41 minutes.
2. **Come to class prepared.** You must bring to each class your textbook, a pencil (no pens), notebook/binder, and completed homework. If you are not prepared you can not learn.
3. **Be considerate of others.** Any act that disrupts learning will not be tolerated.
4. **Use your time wisely.** Ask questions and do your work in class when time is given. I like to give time at the end of the class for you to work on your homework. If one person stops working early, I will increase the assignment of the entire class and collect it for correctness.
5. **Use the hall pass when time allows it.** The hall pass is a privilege; do not abuse it. Use only at the beginning or end of class and do not use it every day. You must record your use complete with time.
6. **Do not cheat.** It does not matter if you are the one who is copying or the one who is supplying the answers. Both parties will be given a zero as well as have their parents notified. For the second offense, you will receive a zero for the nine-weeks.
7. **Respect a substitute.** If your name is left by a substitute for behavior issues or not being on task you will receive detention.
8. **No cell phones.** As per school policy, if a cell phone is seen or heard in my class it will be given to the office.
9. **Books.** All textbooks are to have a cover on them throughout the year.
10. **Be in school.**
