

# Hopewell Area School District

2354 Brodhead Road  
Aliquippa, PA, 15001

April 29, 2021

Dear Hopewell Parents/Guardians,

The District was made aware of one (1) positive COVID case involving a high school student. The case involves a tenth grade student who was last at Hopewell High School on April 22. There were no close contacts. This student was not considered to be infectious while last in school. Therefore, this positive case will not count to the school closure case count.

It is critical that all Hopewell parents monitor their child's health and keep your child home from school if exhibiting any symptoms. Additionally, please report any COVID testing or symptoms to the school nurse.

Should you have questions, please reach out to your building school nurse or principal. Our priority remains focused on the safety of all students, families and staff.

With Viking PRIDE-

Dr. Michelle Miller  
Superintendent
