

Hopewell Area School District

2354 Brodhead Road
Aliquippa, PA, 15001

April 6, 2021

Dear Hopewell Parents/Guardians,

The District was made aware of two (2) positive COVID cases at Hopewell Memorial Junior High School.

The first case involves a student in 7th grade who was last in the building on March 26. There are no close contacts involved. This student was not considered to be infectious while last in school. Therefore, this positive case will not count to the school closure case count.

The second case involves a student in 8th grade who was last in the building on April 1. Close contacts were notified. This student was considered to be infectious while last in school. Therefore, this positive case will count to the school closure case count.

It is critical that all Hopewell parents monitor their child's health and keep your child home from school if exhibiting any symptoms. Additionally, please report any COVID testing or symptoms to the school nurse.

Should you have questions, please reach out to your building school nurse or principal. Our priority remains focused on the safety of all students, families and staff.

With Viking PRIDE-

Dr. Michelle Miller
Superintendent
