

Hopewell Area School District

2354 Brodhead Road
Aliquippa, PA, 15001

March 29, 2021

Dear Hopewell Parents/Guardians,

The District was made aware of one (1) positive COVID case involving an employee serving Hopewell Junior High School, Independence Elementary School and other outside student educational placements. The individual was infectious when working in the District on both March 24 and 25. Close contacts have been notified. This case WILL count toward case counts for both Junior High School and Independence Elementary School.

It is critical that all Hopewell parents monitor their child's health and keep your child home from school if exhibiting any symptoms. Additionally, please report any COVID testing or symptoms to the school nurse.

Should you have questions, please reach out to your building school nurse or principal. Our priority remains focused on the safety of all students, families and staff.

With Viking PRIDE-

Dr. Michelle Miller
Superintendent
