

# Hopewell Area School District

2354 Brodhead Road  
Aliquippa, PA, 15001

May 12, 2021

Dear Hopewell Parents/Guardians,

The District was made aware of two (2) COVID cases.

The first case involves a twelfth grade student at Hopewell High School. The student was last at school on May 10. Close contacts are being identified and contacted. This student was considered to be infectious while last in school. Therefore, this positive case will count to the school closure case count.

The second case involves a seventh grade student at Hopewell Memorial Junior High School. The student was last at school on April 30. There are no close contacts. This student was NOT considered to be infectious while last in school. Therefore, this case will NOT count to the school closure case count.

It is critical that all Hopewell parents monitor their child's health and keep your child home from school if exhibiting any symptoms. Additionally, please report any COVID testing or symptoms to the school nurse.

Should you have questions, please reach out to your building school nurse or principal. Our priority remains focused on the safety of all students, families and staff.

With Viking PRIDE-

Dr. Michelle Miller  
Superintendent
