

Hopewell Area School District

2354 Brodhead Road
Aliquippa, PA, 15001

May 14, 2021

Dear Hopewell Parents/Guardians,

The District was made aware of two (2) COVID cases today.

The first positive COVID case involves a staff member at Hopewell High School. The staff member was last in the building on May 13, 2021. Although this staff member was considered to be infectious while last in school, there are no close contacts. This positive case will count to the school closure case count.

The second positive COVID case involves a ninth grade student at Hopewell High School. The student was last in the building on May 12, 2021. Close contacts are being notified. The student was considered to be infectious while last in school. Therefore, this positive case will count to the school closure case count.

It is critical that all Hopewell parents monitor their child's health and keep your child home from school if exhibiting any symptoms. Additionally, please report any COVID testing or symptoms to the school nurse.

Should you have questions, please reach out to your building school nurse or principal. Our priority remains focused on the safety of all students, families and staff.

With Viking PRIDE-

Dr. Michelle Miller
Superintendent
