February 16, 2021

Dear Hopewell Parents/Guardians,

Today, the District was made aware of one (1) positive COVID case today at Hopewell Elementary School. The case involves a student in third grade who was last in the building on Thursday, February 11, 2021. This student was considered to be infectious while last in school, therefore, this positive case WILL count to the school closure case count. Close contacts from the classroom and/or the school bus are being contacted today.

It is critical that all Hopewell parents monitor their child’s health and keep your child home from school if exhibiting any symptoms. Additionally, please report any COVID testing or symptoms to the school nurse.

Should you have questions, please reach out to your building school nurse or principal. Our priority remains focused on the safety of all students, families and staff.

With Viking PRIDE-

Dr. Michelle Miller
Superintendent
