Expected materials to have every day:

3-Ring Binder

Pencil

Calculator

Three-Ring Binder

The notes given in class outline the chapters we will be covering in your book. You must bring your notebook with you on a daily basis since we will be covering new material every day. I may periodically allow you to use your notes on a quiz, so make sure you are writing everything down!

TI-83 Calculator

If you have a TI-83 calculator, please bring it to class. I will be showing you many shortcuts using the graphing calculator that you would otherwise have to do by hand. If you do not have a TI-83 calculator, we can make arrangements for you to borrow one of mine for the class period.

Respect each other, myself, and the classroom

I will respect you and therefore I expect you to give me the same courtesy. Please raise your hand if you have a question; do not speak out of turn. I will not tolerate classroom conversation while I am speaking.

If I am teaching a lesson, NO ONE WILL BE USING THE COMPUTERS. Also, you will not access any other website other than Think Through Math. Anyone on another website will receive a detention and parents will be called. If the incident occurs again, you will be written up. A 3rd offense will warrant removal from the computers.

Please take care of the computers and desks, push your chairs in when you leave, and clean up after yourselves. All books, bags, and purses must be placed underneath your table. Nothing should be on your table other than the computer, calculator, pencil, and notebook.

Tardies

You must have your entire body in the classroom when the late bell rings. If you are late 3 times, you will receive a detention with me after school. However, if you are extremely late for class you will be required to make that time up with me after school regardless of the number of offenses.

Hall Pass

The hall pass can be used once a week if you have your hall pass sheet. If you owe me work or I am teaching a lesson however, you will not be permitted to use the hall pass. The hall passes you do not use can be used as extra credit at the end of the 9 weeks. DO NOT LOSE THE HALL PASS SHEET OR YOU WILL LOSE EXTRA CREDIT OPPORTUNITIES AND YOUR HALL PASS PRIVILEGES!!!
