

Algebra III/ Trig
Grading Policy
Mrs. Henry

Grades are based on total points and include the following:

1. Homework

Each homework assignment is worth 10 points. You will be expected to write the problem down along with the *work*. Assignments will be graded as follows:

10 pts - all problems attempted

5 pts - homework is less than complete and more than half-done

0 pts - anything less than half-done

Occasionally, assignments will be collected – these may be worth more than 10 points and will be checked for correctness.

2. Tests, Labs, or Enrichment

If you are absent, it is your responsibility to make up the work. You will have one more than the number of days absent to make it up.

Field trips, ENCORE, and sports dismissals are NOT absences. You will be expected to have the work done as if you were in class. Also, you need to see me *before* you leave for the field trip, etc., to show me your work and to get the assignment.
